

“PRO RALLY CAR RACING (CO-DRIVER) EXPERIENCE”

Overview

Frontech Solutions (Frontech Racing) racing team competes in the Canadian Rally Championship series each year. As an added benefit of our racing division, we have the unique ability to support charities & events in our community by offering a one of a kind “Pro Rally Car Racing (Co-Driver) Experience”. This unique experiential activity is used by our charitable partners as a raffle or auction item during their events to raise funds. The funds raised support important programming to aid children, families and great causes in our communities.

Concept & Benefits

Frontech Solutions will donate two (2) Frontech Racing Pro Rally Car Racing Co-Driver Experiences to be auctioned off during your event. 100% of the \$ raised can be used toward your events chosen charity.

It is typical for the Pro Rally Car Co-Driver Experience to generate between \$2000 - \$3000 for the chosen charity.

The winners of the auction will receive:

- Full access to Frontech Racings Pro Rally Car Corporate Mixer – Frontech Solutions premier annual event bringing together clients, partners, charities and supporters from all corners of Alberta. The event is held in September of each year at a preferred location in Alberta. Those who attend will enjoy a ride in a rally car, excellent company, great food and the opportunity to expand their network - all while immersing themselves in the Pro Rally Car Racing Culture!;
- Video and Photos of their experience;
- Recognition on our Frontech Racing and FitPLM Service Pro Websites.

Kids Kottage Testimonial

“Kids Kottage is so fortunate to have received the donation of ten Frontech Pro Rally Car Race Experiences spread throughout each of our fundraising event auctions over the past eight years! This auction item is extremely popular and bids received are always over \$1,000 per ride! Because of the commitment and generosity of Boris Djordjevic and Frontech Solutions Inc., over \$14,000 has been raised to prevent child abuse and neglect and keep the doors of Kids Kottage open!”

*Pam Miller
Fund Development Director
Kids Kottage Foundation*

What do we ask for in return?

In return for our donation, we respectfully request the following:

- Recognition as an event sponsor and access to associated benefits;
- Permission to post your corporate/tournament/charitable logo on our FitPLM Events Page;
- Two complimentary passes to participate in the event.
